Holiday Gatherings

As we approach this holiday season, we want to remind everyone that all indoor visitation protocol still remains the same to ensure the safety of everyone in our community and their loved ones. We ask that visitors remain in residents' apartments while visiting and do not gather in common areas. We look forward to hosting holiday gatherings with residents and their loved ones in the future when things are safe, but for now we will not be hosting any indoor holiday events or parties for outside visitors to participate in. Be on the lookout for our outdoor events, like our "Drive by for Pie" event that we invite family and friends to come and enjoy safely. We thank everyone for their continued understanding and cooperation. We wish you all a safe and wonderful holiday season!
