## VISITATION UPDATE

We are excited to share with you new and improved guidelines for communal dining and group activities just in time for the holiday season! Visitors who are fully vaccinated, or have a negative COVID test taken 72 hours prior to visit, can now reserve times to join their loved ones for meals. We will take reservations and each visitor will need to pay \$10 to receive their meal ticket, 2 guests max per apartment. All guests must make their reservation in advance by calling the front desk at 707-653-4728, 24 hours prior. Unfortunately, we are unable to accept reservations for our upcoming Christmas Dinner. If you are a visitor and interested in attending any indoor group activities we provide, please notify our Activities Directors 24 hours in advance to ensure space is provided. We can have visits occur in our community's common areas but ask that social distancing still be practiced. Please remember to check in at the front desk, take your temperature, sign in and provide your proof of vaccination or that you have tested negative within 72 hours of visit. Thank you all for your patience as we navigate through these changes. For more information, or questions, please feel free to call us at 707-653-4728.
