Welcome to the Team!

It's with great excitement that we announce Colleen Berumen as our Director of Resident Development, as Cathy Villarreal has been promoted within Calson Management! Fear not, you'll still see Cathy on a regular basis as a big part of her new role entails visiting each of our local communities on a regular basis. Colleen comes with a wealth of experience in working with seniors and was the longtime executive director of Opportunity House in Vacaville. Colleen is a pillar of the community and is excited for the opportunity to fill some very large shoes that Cathy is leaving her. We're confident she's up for the challenge! Please take a moment to introduce yourself to Colleen as she is very excited to meet our wonderful residents and fellow staff members!

Happy Father's Day

We would like to wish all the fathers in our community a happy Father's Day this June 18th. You're the best! We look forward to celebrating you all, Friday, June 16th at our Father's Day Floats Social!

FRIENDLY COMMUNITY REMINDERS

DINING ROOM SEATING

We'd like to remind all residents that **dining room seating is first come first serve.** There is no assigned seating in the dining room for any meals. If you have a preferred seat in the dining room, we ask that you show up to meals early enough to sit where you like. We want all residents to feel welcome when coming to eat in the dining room, so we ask that **if someone is sitting in your preferred seat for a meal that you do NOT ask them to move and kindly sit at any other available table, or seat.** Staff will not ask that a resident move where they are seated to accommodate a preferred seat as again, seating is first come first serve. Thank you for your participation in making all residents feel welcome when coming to the dining room for meals.

ACTIVITY ROOM CLOSURE

The 2nd floor activity room will be closed for our Community Blood Drive, Thursday June 29th for the entire day (8:00am-5:00pm). Activities for that day (i.e., morning exercise) will be held in the front lobby and cafe' area. We thank you for your understanding and look forward to a successful blood drive!
