Team Member Spotlight: Welcoming Shanna

Shanna has just joined The Lodge as Resident Development Director and comes with a long history of working elsewhere with assisted living residents and in memory care. Shanna's unique name was given by her mother, who chose the name of the heroine from a favorite romance novel. Born in Ka'a'awa, Oahu, Shanna is the oldest of seven children. Her love of Hawaii and her ocean adventures are ever-present memories of wonderful summers spent with her grandparents. Another special memory for Shanna, an enthusiastic traveler, is her time spent in Puerto Rico enjoying its culture, as a compliment to her heritage. She says her greatest accomplishment is being a mother to her four children, ages 5 to 23. Shanna is seeing a fun-filled life in her future when she soon adds a special young man from New Zealand to the family..... Congratulations! Shanna's hope to be remembered for her kindness to others will certainly win her many fans from our residents. We are happy to welcome Shanna and all her very special talents.
